

Scholarship Program

The purpose of the Scholarship Program is to promote scholastic excellence and continuing education for our members. BACU will award three \$300.00 scholarships for the 2020-2021 school year. Alternates will also be chosen for each scholarship in the event the winner of the scholarship loses his/her eligibility.

Eligibility

Any primary member of BACU with an account in good standing may apply. An individual may join BACU for the sole purpose of eligibility. Credit union volunteers, employees and their immediate families are not eligible. Scholarships will be awarded on an objective and non-discriminatory basis without regard to age, sex, race, religion or affiliation, and will be paid directly to the accredited school of choice after proof of enrollment is provided to BACU.

Eligible members must be a graduating high school student enrolling full-time in an accredited college, university, or vocational-technical school. Applicants may reapply each year, however the scholarship will not be awarded to a previous BACU scholarship winner.

Requirements

- Completed Application
- Official High School Transcripts
- A non-family letter of recommendation
- A typed 200-400 word essay on the following topic:

Selection

The scholarship winners and alternates will be chosen by a committee comprised of BACU Management, Staff, and Board of Directors. Judging will be based on:
